

HAE RAN CHUNG DANCE INSTRUCTION

Learn From the World Champion of Dance

Miss Chung has over 30 years experience teaching dance. She has won numerous awards including the prestigious Korean National Grand Prix in ballet and ballroom dancing. She has extensive experience in choreography and holds a Master's Degree in Dance. She is an owner of three dance studios. She offers social dance group classes, private dance instruction and coaching.

Her instruction emphasizes proper dance technique, lead and follow, body position and movement. Her specialty is her Body Technique class. This exciting new class focuses on many of the techniques that every dancer needs, but rarely has the opportunity to learn. She specializes in basic and advanced techniques of body control, arm styling, partnering and animation with added focus on balance, turns, posture, rhythm and footwork. For the beginner, Hae Ran teaches a universal

foundation of skills that will carry the student on to any level. Hae Ran sincerely believes in dancing as a beneficial exercise form to strengthen and tone muscles and prompt happiness and well being.
